5/13/2015

Dear Steve and Sheryl Sims,

This is to acknowledge receipt of your email. I am forwarding your email to our Clerk's Office for processing. Your email will become a part of ND-2015-20-E – (Duke Energy Carolinas: Foothills Transmission and Substation Project - 45-Mile Transmission Line Between Asheville, NC, Power Plant and New Substation Near Campobello, SC) and will be posted on our website under ND-2015-20-E.

Please let me know if you should require any additional information.

Sincerely,

*Hope H. Adams*  
*Administrative Coordinator*  
*Public Service Commission of South Carolina*  
*(803) 896-5122*

**Subject:** Duke Power's "Modernization" Plan

We are writing as citizens of Spartanburg County, SC to express our outrage over Duke's attempt to install large towers for power lines in our beautiful county and calling it "modernization".

Duke can either bury the cables or not do this obsolete project at all. **NO** to Duke Energy killing our economy and **NO** to Duke Energy destroying our environment!!

Steve and Sheryl Sims
